Notice of Intent to Adopt a Negative Declaration for State Route 91 Widening. Study Results Available

Announcement of Public Hearing

WHAT'S BEING PLANNED

CALTRANS (California Department of Transportation) is proposing to widen State Route 91 (SR-91) in Orange County by adding one general purpose lane on SR-91 eastbound from the SR-91/State Route 55 (SR-55) Separation to east of the Weir Canyon Road On-Ramp, and westbound from west of the SR-91/241 Separation to the SR-90/91 Separation (Imperial Highway Undercrossing).

WHY THIS AD

CALTRANS has studied the effects this project may have on the environment. Our studies show it will not significantly affect the quality of the environment. This notice is to tell you of the preparation of the proposed Negative Declaration and "Initial Study" and of its availability for you to read.

A hearing will be held to give you an opportunity to talk about certain design features of the project with CALTRANS' staff before the final design is selected. The tentative schedule for the purchase of land for right of way and construction will be discussed.
